

Westminster Crier January 2022 Vol 3

Westminster Crier

News from Around the Community

Access Committee

There has been an increase in entries to vehicles in our area. Remove any valuable items from your vehicles and make sure you lock the doors. If you observe any suspicious activity such as people you do not know looking into cars, please report this to the Lee County Sheriffs Office at 239-477-1000. Keep garage doors closed and if your home has an alarm make sure you turn it on when you are away. It is important we all look out for one another.

Please practice safe driving in the Westminster Community. Obey the traffic signs and remember we have a 19 mph speed limit. If you observe any reckless driving please report it for your own safety and the safety of others. Again, we all want to make sure no one is injured by carelessness or recklessness. Lastly, do not allow young children to operate your golf carts. This is dangerous

Community Center News

Ladies Luncheon

First Thursday of each month

February 3rd is our next luncheon

Starts at 11:30

Contact Irene if interested - 540-748-0513

Letter from ACT

Dear Westminster Family,

Thank you so much for your incredible contributions to our Christmas celebration at ACT! Your generosity and determination to support victims of violence and their children made this holiday truly bright. Most of us take for granted that Christmas is a time for love, celebration, and warmth, but for many of the families in ACT's shelters, the holidays have been times of trauma and pain. Some of our kids have never celebrated a holiday or even received a gift. With your donations, you have made sure that every child in our care has felt the love and warmth of their community this

Christmas. They will carry the knowledge that they are loved by all of you, and that they “**matter**” for the rest of their lives.

From all of us here at ACT (Abuse Counseling & Treatment),
THANK YOU, for helping us bring joy to our families and
supporting us in building a violence-free community!

Best wishes for a bright and happy new year,
Melissa Lilley, Westminster neighbor and ACT Finance Department
& Alexandra Kelner, Development Manager”

Sad News

Long time Oxford Ridge resident John Maestrelli passed away on January 22, 2022 in Piedmont CA after a long illness. Friends are invited to attend memorial service on March 12 at 5:30 PM at the Westminster Community Center. Condolences may be sent to Mary Maestrelli, 2066 Oakland Ave, Piedmont CA 94611 or maestro20810@gmail.com. Full obituary may be found at <https://www.john-maestrelli.com>.
