## Notice

The Westminster Community Association Annual Member's Meeting, originally scheduled for April 21, 2020 at 4:30PM has been adjourned to 6:00PM on May 19, 2020 at the Community Center. The adjournment was necessary due to the Florida State isolation declaration concerning the COVID-19 Pandemic and was in accordance with legal advice from our association attorney.

The Lee County Sheriff's Office had contacted our manager that the meeting would be considered in violation of the law and therefore adjourned to May 19th. A meeting at this time would also violate the standards of social distancing. All of the proxies and information in the Annual Meeting package are still valid. More details will be provided as the situation changes. Respectively submitted,

Tim Baranek, Secretary.

## Irrigation Committee

Lee County has enacted an order restricting irrigation for all of Lee County to irrigate one day per week. This order goes into effect Sunday April 26, 2020. This restriction will be effective until the end of dry season.

Even number houses will be allowed to water Sundays and odd number houses will water on Wednesdays. Residents should insure that their timers are set to Westminster schedule as shown below. If your timers are already set to Westminster schedule you do not have to do anything as the pumps will not be on for Thursdays and Saturdays, pumps will only run on Wednesdays and Sundays. It is imperative that residents adhere to Westminster schedule to not cause excessive demand on the pumps. If we do not follow our guidelines pumps will shut off automatically.
