Bible Study

The Ladies Bible study meets at 11 am on Wednesdays in the Community Center. We are beginning a study in the gospel of Mark. For more information contact Alice Sems at alicesems@msn.com or 440-479-4546.

Lakes and irrigation

Pump one,

Main gate, has been down for repairs and should be back on line early this week.

We are working on a system to distribute irrigation labels to all residents.

Please shower before entering the pool or Spa.

The sun tan oils ruin the filters that are very expensive to replace.

Showers are in the bathrooms and one is located outside.

All showers have hot water.
