Irrigation Notice

A major issue with our irrigation system occurs when too many homes water at the same time. This causes reduced water flow, pumps to shut down and strain of excessive flow causes damaging overheating to the irrigation pumps. To avoid these issues the irrigation committee is going to assign irrigation start times.

IF you would like to start using this new schedule please find the times by address below. As rainy season comes to an end we all need to do our part to ease the strain on our irrigation pumps

The proposed watering schedule

- 1 Wed, Sat. 12M - 3AM
- 2 Thur, Sun. 12M - 3AM
- 3 Wed, Sat. 3AM - 6AM
- 4 Thur, Sun. 3AM - 6AM
- 5 Wed, Sat. 6AM - 9AM
