Safety and Security

A juvenile male was caught in the community attempting to steal items in an open garage. He has been arrested and this issue is under investigation.

Please make it harder for thieves to take things from you - lock your car, if it is parked outside, keep garage doors down, don't keep things in your car that can be easily taken, CDs, change, GPS units.

These are crimes of opportunity, don't give someone the opportunity to make the wrong decision.
