News From the Community

Reminder: The First Notice of the Annual Meeting has been sent to the printer. Notices are mailed to the address of record in the Caliber accounting system. Please log into the Caliber and check your address as some seasonal residents use their 'away' address.

Please wear a mask when coming to the Office. This is for your protection as well as the staff's protection.

ARC applications should be submitted to the office by noon on the Friday before the scheduled ACR meeting. This will give the ARC committee time to review the applications and visit the property (if needed).

The two spaces next to the office are reserved for those who have business at the office, Monday thru Friday, 9AM-5PM. This is a convenience for owners who have to bring roof tiles, paperwork and other concerns to the office.

The problem of newly issued bar codes not working at the back gate has been resolved.

Thank you to everyone who made Christmas for the Guards a very Special one this year
