## Message from Lee County Sheriff's Office

If you came face to face with a violent attacker, would you know what to do to protect yourself?

You may not realize that escaping and surviving an assault is 90% mental preparedness and only 10% physical preparedness. This means you must always be thinking ahead about the smart choices you would make in an unwanted encounter, such as being aware of your surroundings, avoiding confrontations, trusting your instincts, and taking the time to learn ways to reduce the risk of exposure to a violent crime.

This mentality applies to women of all ages, which is why the Lee County Sheriff's Office invites you to register today for one of our 2-hour educational awareness, crime prevention programs known as S.A.F.E. (Self-defense Awareness and Familiarization Exchange). The key components of the S.A.F.E. class will provide attendees with personal safety information, basic physical techniques, a variety of options and common-sense strategies.

Each month, beginning September 1<sup>st</sup>, members of the Sheriff's Office Crime Prevention Unit will hold a S.A.F.E. class with either a presentation specifically designed for mothers and daughters, or women of all ages. All classes will be at the

Sheriff's Office headquarters located at 14750 Six Mile Cypress Parkway, Fort Myers. Below is the class schedule:

## Message From ARC:

As many of you know, ARC has been working on revising some of our guidelines. We had posted them in the last issue of the Crier and had verbally presented them at several board meetings but it has come to our attention that we didn't give homeowners enough time to review all the documents and to be able to comment on them at the monthly member meeting if they wish to do so. Therefore, "ARC will keep posting these in the Crier for the next few months.

We have also posted them in the Community Center under the ARC sign and on the Westminster website. In addition, we sent a copy to each Neighborhood Association President for them to share with their homeowners. Even though the board approved all the revisions, we are going to ask for another vote after the community has had a chance to review all the changes and make comments. If you have further questions, please don't hesitate to contact ARC., Our emails are on the website.

Thank You.

Barbara Waldman, Chair

Note-you will find the pertinent guidelines with the revisions in <u>bold</u>, <u>red and underlined</u>. or in the case of the Driveway Stain/Seal Form in blue.
