The Star himself

From Lee County Sheriff's Office

Tis' the Season to be Aware of Traveling Trouble

In light of recent calls to the Sheriff's Office from residents reporting suspicious persons going door-to-door fraudulently claiming to be representatives from local businesses; as well as reports of sketchy suspects soliciting seniors in deceptive paving scams, the Lee County Sheriff's Office reminds Southwest Floridians to be on their toes this time of year as door-to-door con-artists, gypsies and travelers head our way looking to take advantage of unsuspecting homeowners.

In an effort to separate you from your money, these thieves and shady characters will use tactics such as persuasion, sympathy, threats and empty promises to get you to buy in to their schemes. Here's what you need to know should you receive a knock on the door from someone selling or soliciting in your neighborhood:

- Florida law prohibits home solicitation sale without first obtaining a valid home solicitation sale permit from the clerk of the circuit court for the county in which the applicant intends to conduct door to door sales (some exclusions apply). A "Hawker or Peddler" who wishes to conduct this type of business in Lee County must file a sworn application with the Tax collector and must have in their possession a

picture ID with permit number, expiration date, name, date of birth, and other required information. Violation of the ordinance can result in a misdemeanor arrest for peddling without a permit or license.

- Do not do business with door-to-door contractors such as tree trimmers, landscapers, roof repairers and paving companies attempting to sell left over material.
- Resist buying magazines, cleaning products, and other items unless you know the person selling them, such as a neighbor.
- Ask for the information in writing and tell them you need time to think about it. If they use high pressure sales tactics like "the deal is only good today", the Sheriff's Office suggests you politely disengage with a "no thank you" and ask them to leave.
- Do not pay for the job upfront, especially if you are paying cash.
- Do not open your door to strangers or let anyone in your home that you do not know.
- Keep all doors, including the garage door closed and locked at all times.

It is very important to immediately report the suspicious activity of a stranger going door to door in your neighborhood to the Sheriff's Office at 477-1000. If you can do so safely, get a physical description, direction of travel and any vehicle information. For more information about this Fraud Alert or to report a fraud or scam, contact the Sheriff's Office Fraud Line at 258-3292.
