

WESTMINSTER CRIER

Temporary Inconvenience for Improvement!

The Community Center will be **CLOSED** from July 10th through at **Least** July 13th. For your convenience the gym facilities **only** will be accessible during this time. New flooring is being installed!

As of last Thursday the Westminster Community website is up and working. Thanks for your patience in this matter!

News from ARC

It has come to the Architectural Review Committee's attention that many people have installed lawn ornaments, decorations and decorative flags, other than US flags, in their yards. Any ornament or decoration of any kind must be approved by the ARC before being installed. We have checked and we do not have requests for the majority of the items displayed throughout the community.

Please submit an ARC request for any decoration in any yard. All these ornaments need to be removed until you have received permission from the committee. This applies to each item displayed in your yards.

Thank you for your understanding. These rules are spelled out in the ARC docs under the landscaping section, paragraph f, page 7.

We are in need of a non voting alternate to serve on our committee. Meetings are held the second Wednesday of each month in the billiards room of the community center. Training will be provided.
