## Pavers at Front Entrance

Many have asked about the repair/replacement of the pavers in the main entrance. The Common Grounds Committee has been working on this for several months, and the Board approved the replacement of the current pavers at the June meeting. Complete details regarding the pavers can be found in the Board minutes of June 18<sup>th</sup>. The pavers have been ordered and we have a tentative start date of August 12<sup>th</sup>. The front gate will remain open during the project.

## Front Entrance Flowers

The front entrance flowers have taken quite a hit with the lack of rain and irrigation glitches recently. With the paver project taking place in August, it was decided to remove the dead landscaping and let it remain empty until the pavers are complete. Immediately following the installation of the new pavers, we will be prepared to replace the front with new landscaping.

## **Save the Date - Christmas Caroling**

We will be having only 1 night of Christmas caroling, which is scheduled for December 14<sup>th</sup>. As always, we will be meeting at the Westminster Clubhouse before we go out. This year, our AFTER PARTY will also be held at the Clubhouse. Our new manager, Cheryl Satterfield, will be providing an appetizer type menu for a small contribution...perhaps \$5.00/per person. More information will follow as we get closer to the date.

**Do NOT put poison out to kill any wildlife in the community.** Another dead cat was found. The cat was perfectly fine one day and then it suddenly died.

## **Irrigation Committee**

Jack Griffith has resigned after 13 years on the irrigation committee. We thank him for his service to the community.

**All vendors must be on your CapSure list or you must call ahead to the guardhouse for them to be able to enter the community!**
