Ronda Captures Her Second Eaton Lake Golf Title.

_Carding a net 64, Ronda Bernarding won her second Eaton Lake Ct. golf championship Saturday March 10 in the tournament played here at our own Westminster Golf Club. She beat second place finisher Craig Inscoe by two strokes. Joe Turner and Crissy Szoztek tied for third place shooting net 72's. The all day drizzle had no impact on Ronda's game as her strong driving set up several short chips onto the clubs fast running greens.

At the Awards ceremony and neighborhood party following golf, referred to by Eaton Lakers as Cocktails on the Cul-de-Sac, Ronda happily thanked all golfers for playing so poorly which she credited for enabling her victory. She joins Shirley Ford and Keith Stevenson as the tournaments multiple winners. The rain also had no impact on the crafty Eaton Lakers preparing for the late afternoon party. Terry Inscoe and Rick Bidwell each produced a tent and had them erected in the driveway of Jo and Bob Pecht, Tom Conrad rolled his Flat iron grill across the cul-de-sac, and without missing a beat the party ran as smoothly as other years.

Eaton Lake Ct Golf Continued

It was opened with a moment of silence in memory of longtime Eaton Lake Ct. resident Bob Ford who passed away late last fall. As the evening drew to a close, everyone volunteered to participate in a major neighborhood effort to attempt to rehabilitate Designated Weather Person Terry Inscoe's spirits in light of the all day rain that she had been bragging for months she wouldn't dare let appear. Her husband Craig agreed to provide regular reports on her progress in the weeks and months ahead.

Update from Compliance:

Please continue to update your mulch and/or lawn and clean driveways, sidewalks and roofs, and remove tree stumps if needed.

We are noticing more uneven or buckled sidewalks in the community. If you own a single family home, please have them fixed as we have been notified of injuries from tripping over these spots. If there is a tree causing the buckling, submit an ARC request to have it removed.

We have noticed that numerous homes have irrigation water staining which needs to be cleaned.

Saint Patrick's Day 2018

What a great day. Absolutely perfect weather, a full field, (141 golfers) and you had to be there to fully appreciate the spirit of fun and incredible Irish outfits and decorated golf carts. Good job fellow Westminster friends and neighbors, yup it's a lot of work but it's worth it.

And the meal - they do a great job everyone at our table was raving about the corned beef and the service could not have been better.

Are we going to do this next year - you bet --- mark your Calendars, Sunday March 17, 2019.

Ok, now for the gripe session. Please --- Please sign up in advance. By mid-February I had about 35 signed up. I made announcements at the club seeking sign ups and had some response. But by Monday March 12, I only had about 80 golfers signed up and was disappointed because it looked like we were not going to have a full field. I keep the golf course apprised of how the sign-ups are going as they have to order food for us and hold tee time space for us. Understandable they booked additional tee times.

St Patty's Day Golf Continued

Well for the rest of the week our phone was ringing off the hook and the reservations kept rolling in, by Thursday evening I had 141 signed up and actually had to turn away a foursome. Last minute meetings with Ray Thorpe and Bob Sciarrino showed just how hard they were working on making sure our event was as good as it could be. Ray finally got out of the pro shop at 10:15 with the score cards and starting golf hole information printed out.

On Saturday Dave Allen - the Westminster starter and Governors Run resident was creative in starting folks on different holes in the interest in clearing the course as best he could for us. Thanks Dave.

Well we only started about 15 minutes late and groups finished in about five hours. But if we had had the signs ups in a week in advance - things would have gone much more quickly.
