

# WESTMINSTER CRIER

ANNOUNCEMENT!! ANNOUNCEMENT!! ANNOUNCEMENT!!

We are pleased to announce that a small group of Westminster residents have joined us as investors, and we have purchased the Westminster Golf Club. We have formed an S-Corp incorporated in Florida named "*The New Westminster Golf Course & Club, Inc.*" The purchase was closed this morning, May 1, and we are open for business.

Some of the things we are planning include:

- The roof of the Club and cart barn will be pressure washed and repaired
- The buildings will be refurbished and painted
- All landscaping will be upgraded.
- The greens and fairways will be weeded and fertilized regularly to improve the course condition.

We want to make "*The New Westminster Golf Course & Club*" a destination in SWFL. We will have competitively-priced green fees and offer attractively-priced memberships.

A professional restaurant manager will be hired with good food at fair prices available. We will have a Club where you will be proud to bring guests to eat and socialize.

The new owners have a strong desire to have a mutually beneficial relationship with the community, Westminster Board and fellow neighbors.

Yes, there will be change, but changes do not happen overnight.

The Board of Directors of "The New Westminster Golf Course and Club" invite the community residents to an Information Session at the Club on **Saturday, May 4, 2019 from 3:00pm to 4:30pm** to learn more, dispel rumors and

***CELEBRATE WITH THE FIRST HAPPY HOUR  
OF THE NEW WESTMINSTER GOLF COURSE AND  
CLUB.***

We hope that all Westminster residents will support us, and by working together, we will together make "The New Westminster Golf Course & Club" great!
