Christmas for the Guards is back!! Last year many of you showed your appreciation of the work our guards do for all of us. The Guards received gift cards and food for Christmas and New Years' days at the guard house because of your generosity. IF you are interested in donating again, please stop by the Westminster Community Office to see Paul or Jessica OR contact Betsy Rosser at [brosser@brockport.edu](mailto:brosser@brockport.edu). Let's make it a special holiday time for our Guards!!!

# Yard Waste

Residents of Lee County receive one curbside yard waste collection each week.

Yard waste consists of:

- grass clippings
- tree limbs and branches
- palm fronds
- leaves
- fallen fruit
- dead plants and flowers

Yard waste must be containerized (50 pounds or less), or securely tied into bundles not heavier than 50 pounds and no longer than 6 feet in length.

Up to 50 pounds of unbundled palm fronds may be placed at the curb. Any excess palm fronds must be tied into bundles, each weighing 50 pounds or less.

## Don't Bag It!

Yard waste is shredded for mulch and distributed at five locations around the county. It is also a primary component in OrganicLee® compost. Placing yard waste in a tub or reusable can rather than a plastic bag -

- saves you the cost of the bag
- reduces plastic waste
- leaves the yard waste ready for shredding and processing without time and labor spent separating plastic
- results in a cleaner finished product.

If you must use a plastic bag, please make sure that the contents can be easily identified by the refuse truck driver (leave a twig or small branch sticking out).

Remember - fencing and ornamental wood borders are not yard waste. Please dispose of these items in the regular household garbage.

Call your waste hauler for a cost estimate for large-scale yard waste disposal projects when containerizing or bundling is difficult.

It's that time of year again!  
It's mulch time!

Happy Veteran's Day- November 11
