When exiting the back gate you must come to a stop at the first street which is Golfview. Please remember that cross traffic on Golfview is not required to stop. Please proceed safely and cautiously.

#### **Bar Code Issues**

As the front pavers are being sealed and residents have been asked to use the back gate. Some residents have had problems with the bar code reader not reading their bar code. If this has happened please come to the office as you may need a new bar code.
