Safety News

Careless and Reckless Driving continues in Westminster. NO PASSING OF VEHICLES IS PERMITTED as it creates a dangerous situation. When passing a golf cart which is permitted, wait until the golf cart has pulled to the right before proceeding. No one should be speeding as you are endangering your safety and the safety of others. The community will be surveyed to determine where additional "speed bumps" can be placed. Remember to stop at those stop signs!

Florida law prohibits the operation of a golf cart by anyone under the age of 14. Just because an adult is in the cart DOES NOT permit operation by those under 14.

If you see, or experience an event in which you believe the summoning of law enforcement is appropriate, save time and dial directly to law enforcement. In Westminster we contact the Lee County Sheriffs Department at 239-477-1000 for non emergencies and 911 for an emergency.
