Stop Signs and Speed Limit

Many people are out walking, riding their bikes, and playing in the community. Please be reminded that the speed limit in the community is 19 mph. Cars and golf carts must stop at all stop signs.

It's that time of the year. Christmas decorations should be taken down.

ARC and Compliance committees are in need of new members. IF you are interested, please contact Jim in the office.

Board Meeting

January 19 at the Community Center at 7 pm

Books at the Community Center

The books at the Community Center were reorganized by members of the Westminster Book Club. Becky Mather, Kathie Christiano, and Alice Sems worked on putting the fiction books loosely in alphabetical order by author. (Due to the fixed position of the shelves, there are some variances.) There is also a small selection of non-fiction. We also have a lot of puzzles available. All these materials are available for the members of our community. Please feel free to enjoy the library without worrying about returns. If you spill margarita on a book or find a puzzle is missing pieces, do not return the damaged item. If your house guest is leaving and wants to take their unfinished book with them, that is fine. If you do return an item, you may either attempt to place the book where it belongs or leave it near the donation box. If you have books to donate, we will take best sellers, beach reads, books by popular authors but please do not leave text books, art books, or repair manuals. At this time do not leave any more puzzles. We hope you will take advantage of this free amenity.
