

## **Westminster Crier**

### **Compliance Committee Reminders**

#### **Roofs/Sidewalks/Driveways/Mulch**

With fall comes the change of season and our Florida weather. With that the Compliance Committee would like to give advance notice to residents that there will be a renewed concentration on the conditions of roof, sidewalks, and driveways (mold, stains, weeds, etc.) and to the mulching of landscape beds.

#### **Placement of Trash, Recycle and Yard Waste Containers**

We would like to remind residents trash cans for garbage and or landscape clippings, and recycling should be placed out the evening before the scheduled pickup day and need to be returned to the garage by the night of the pickup day.

#### **Trunk or Treat?**

IF you would be interested in a trunk or treat event for your children right here in Westminster, please contact Tim Baranek at [tjbaranek@yahoo.com](mailto:tjbaranek@yahoo.com).

The event will be planned if enough interest is shown

#### **Board Meeting for October**

October 20

7 pm
